The diagram consists of several horizontal lines of different lengths and positions, arranged in a way that suggests a sequence or a process. The lines are as follows:

- A short line at the top left.
- A short line at the top center.
- A long line extending across the middle of the diagram.
- A short line on the left side, below the middle line.
- A short line on the right side, below the middle line.
- A long line at the bottom, with the label **(1)** positioned above it on the left and **(2)** positioned above it on the right.
- A very long line at the very bottom, spanning the entire width of the diagram.
